## **MSA SAFETY EQUIPMENT**

MSA is the global leader in the development, manufacture and supply of sophisticated products that protect people's health and safety.

Triple 0 Solutions provides the full range of MSA Safety Equipment including:

- Supplied Air Respirators & SCBA
- Air Purifying Respirators
- Portable Gas Detection
- Head, Eye, Face & Hearing Protection
- Fall Protection
- Fixed Gas Detection
- Protective Clothing & Hand Protection
- Thermal Imaging Cameras

Not only does Triple 0 Solutions supply MSA Safety Equipment but we also have the experience and knowledge in using the gear. This allows us to ensure that you are purchasing what you actually need along with providing you with the technical know how to correctly use and maintain your gear.

As well as sales we offer a complete equipment hire service. If you only need a specialised piece of equipment for a one off job than hiring the gear is by far the most effective option. This will ensure that the gear is calibrated, serviced and working.

Our service and support are vital components of our all-round commitment to our customers. Most products can be serviced by our technicians however warranty and some services need to be serviced in Sydney by MSA.

Triple 0 Solutions are more than happy to provide loan gear so your workers will be covered even when your safety equipment is away.

**We Sell It, We Train It, We Know It!**
