Course Brochure V2.0

NATIONALLY RECOGNISED
TRAINING

FIRE CREW TRAINING

Description

This course provides participants with the knowledge and skills to contain and/or extinguish a fire until external help from emergency services arrives. This course covers the first response (only) to fire, and does not include aggressive firefighting techniques.

Who is this course for?

This course is suitable for emergency response teams, fire teams or those people who provide initial response to fire emergencies in the workplace.

Units of Competency

- MSMWHS212 Undertake first response to fire incidents

Course Duration

4-6 hours

Student Numbers

Min 6; Max 12

Course Content

- Fire science
- Hazards and risks arising from fire emergencies
- Size-up principle
- Responding to fires & emergencies
- Extinguishing agents and methods
- Operating firefighting equipment
- Defensive firefighting techniques
- Communicating with emergency services
- Simulated practice scenarios

Award Issued

Upon successful completion of the assessment requirements of this course, students will receive a nationally recognised statement of attainment and wallet card.

Recertification

Refreshers recommended annually.

Pre-requisites

Nil

Pre-entry Requirements

Students must be physically capable of participating in the practical activities and demonstrate a basic level of language, literacy and numeracy.

Delivery Methods

The course content will be delivered in a classroom environment using PowerPoint presentations, videos, group discussions and a number of demonstration and skill building activities.

Assessment Methods

Students will undertake a practical assessment simulating relevant fire scenarios. Underpinning knowledge will be assessed with a theory assessment (containing multiple-choice questions).

Notes

All of our courses are tailored to site policies and procedures.

Appropriate clothing is to be worn when attending training including long pants, long shirts and enclosed footwear. PPE specified by the workplace is also to be worn.
